

THE WESTERN REVIEW

DRAYTON VALLEY, ALBERTA
TUESDAY, MAY 25, 1971

Two helicopters in the top photo work at guiding an oil slick in to the shoreline booms in last week's oil pollution tests. Another test is shown underway in the lower photo.

RIVER TESTS SUCCESSFUL IN EVALUATING SPILL EQUIPMENT

A large number of interested spectators were present for most of the two-day pilot tests to evaluate oil spill clean-up equipment at the North Saskatchewan River bridge on Tuesday and Wednesday of last week.

The tests were set up by the

Frank Horvath Wins \$1,000 at Bingo Thurs.

Frank Horvath of Poplar Ridge left last Thursday's Service Clubs bingo \$1,000, richer after winning the major prize for the final blackout.

Close to 700 bingo fans from all parts of this area attended the \$2,000, event sponsored by Drayton Valley Lions, Rotary, Elks and Canadian Legion and held in the Centennial Civic Centre.

Winner of the \$50, door prize for advance ticket sales was Barry Pajak of Drayton Valley and other winners were: Connie Horsh, Evansburg, \$100; Wayne Fitzgerald, Warburg, \$50; Mrs. E. Davis, Lodgepole, \$50; Michael Malloy, Drayton Valley \$50; Mrs. Cuthbertson, Drayton Valley, \$100; Hilda Friesen, Drayton Valley, \$50; Orest Kisser, Drayton Valley, \$50; Mrs. Louth, Rocky Rapids, \$50; Mrs. Kate Ellenck, Breton, \$50; Cliff Elliott, Drayton Valley, \$250; Loren Remy, Drayton Valley, \$50; Mrs. Emil Lambert, Drayton Valley, \$50; Inez Tinney, Highvale, \$50; and Louis Blue, Drayton Valley, \$50.

Pembina Area Pollution Control Co-operation Committee to determine the effectiveness of emergency procedures and preventive programs established by the group.

Mr. Pat O'Connell, Area Superintendent of Amoco Canada and chairman of the committee, expressed pleasure with the success of tests that will provide the committee with working knowledge and a greater degree of preparedness to cope with possible emergencies.

The tests involved evaluation of booms, skimmers, and absorbent materials in the control of oil spills through the use of carefully regulated tests on a 200-foot portion of the river. The oil, in measured amounts, was released into the river and then cleaned up by varied equipment in position along the south bank of the river.

Environment Minister James Henderson was present for Tuesday's tests and noted that the fact that some oil spills are "inevitable" through mechanical or human failure indicates the importance of testing and evaluating the effectiveness of equipment and approaches used to deal with spills.

He said the government is satisfied all precautionary measures for the test were taken, and would cause "insignificant environmental consequences."

The tests were conducted with the approval of all affected government agencies and the section of river concerned protected by a series of four booms to channel the oil into the shoreline.

One of the more spectacular tests involved an attempt by two helicopters to guide an oil slick

into the shoreline booms by the air blast from the machines' rotors. Most of the oil was herded behind the booms by the helicopters but a small amount slipped past and was forced up on a sandbar a few hundred yards beyond the booms.

The Pembina Co-operative is the first of 17 to be organized in the province and involves all the oil, pipeline and gas processing firms in the Pembina field.

The group was organized last August and had accomplished two major tasks prior to pioneering last week's control tests.

The first task was completion of an oil spill contingency plan

Cont. on Page 2

Millrate of 80 Set by Council

At a special budget meeting last Thursday afternoon the Drayton Valley Town Council set this year's millrate at 80, an increase of two mills over last year.

The town will operate for the year on a revenue of \$728,832. The tax levy accounts for \$503,090 of total revenue.

Uncontrollable expenditures account for \$248,914, or 50.44 mills and include education, health and debt charges.

The Provincial Foundation Program accounts for \$129,590; County of Parkland, \$16,766; and Drayton Valley Separate School Division, \$1,677, giving education the biggest bite at \$148,033, or 30.01 mills.

Expenditures for 1971 would have represented a deficit of \$22,000 that will be made up by using \$12,000 of last year's surplus and the increased mill rate.

The Municipal Hospital requisition this year is for \$15,000 -- last year it was nil. The hospital requisition was necessitated by the urgent need to replace x-ray equipment and providing air conditioning.

However, despite the increased mill rate, there is a happy note for tax payers who will receive a \$75.00 Homeowners Tax Discount this year rather than \$50.00 as last year.

In fact, on an average assessment of \$6,000, an 80 mill levy will realize a tax of \$480, but with a H.T.D. of \$75.00 the net tax levy amounts to \$405, compared to \$418 last year. The same assessment and a mill rate of 78 equalled a tax levy of \$468 with the H.T.D. of only \$50, the net tax amounted to \$418. So despite an increase of two mills, the average taxpayer will be a little ahead this year.

Council considered estimates at some length at the meeting but came back invariably to the necessity of increasing the mill rate or budgeting a deficit. Also acknowledged was the fact that if the mill rate was kept at 78 this year it would almost certainly jump to 82 next year to cover the deficit and normal increases.

Marchers Raise \$5,584

Six hundred and thirty marchers raised a pledged total of \$5,584 in the annual Miles for Millions March held in Drayton Valley on Saturday, May 15th.

About 50 percent -- 330 marchers, completed the 25 mile hike. Most of the marchers this year were youngsters with a noticeable absence of teenagers and adults.

Top money walker was Rusty Zander at \$22.15 a mile. He completed the walk for a total of \$553.75.

Edwin Erickson was the march's Pied Piper of Drayton Valley. Edwin covered the 25 miles, playing his accordion all the way, and accompanied by an entourage of young hikers.

The march committee has requested that all those taking part in the march now complete the project by getting out and collecting pledges.

Anyone who lost his pledge sheet, and apparently there were several, is asked to get in touch with Mrs. I. Oscar at 4753 - 50th Street during the evening. She has duplicate copies.

Proceeds from the march will be distributed as follows: Purple Pansy Senior Citizens Home Fund 60 percent; Oxfam of Canada, 20 percent; Indian-Eskimo Association of Alberta, 10 percent; and the Canadian Organization for Development and Peace, 10 percent.

RESTRICTIONS LIFTED ON FIRE PERMITS

The restrictions on fire permits have been lifted in most areas of Alberta by Dr. J. Donovan Ross, Minister of Lands and Forests. Fire permits are still cancelled in the Grande Prairie Forest and adjacent counties and municipalities, and the Athabasca Forest.

Open campfires are prohibited except in fireplaces at established campgrounds in all forest areas north of the Bow River with the exception of the Footner Lake Forest in northwest Alberta.

Lodge Decision Expected Soon

A decision on a Senior Citizens' lodge for Drayton Valley is expected in a short time, Hon. Ray Speaker told a gathering in the Elks Hall in Drayton Valley last Monday evening.

Mr. Speaker, Minister of Health and Social Development, said he felt the matter of awarding four more lodges across the province would be undertaken by the cabinet "quite soon."

Six lodges were allowed in the budget this year and two have already been allocated to Lethbridge and Rimbey. Four more will be selected from 17 communities (including Drayton Valley) that are seeking homes.

About forty residents were present for the meeting that reviewed provincial policy regarding senior citizens' homes, and

many of those present took part in an open discussion session with Mr. Speaker. The audience was invited to present its views and facts supporting the need for a lodge in this community.

Mr. Speaker outlined the government's desire to have homes augment hospital services by providing accommodation for older persons who might otherwise tax the facilities of active treatment hospitals.

Drayton Valley, he said, was high in priority in the matter of hospital beds and geographical locations.

Many persons present put forth logical arguments for the location of a home here and received an attentive audience by Mr. Speaker.

Also present for the meeting

were M.L.A. Ralph Jespersen, who introduced Mr. Speaker; Alderman Cec Purvis of Edmonton, a Social Credit Candidate; and Social Credit candidate Tom Johnson. The meeting was chaired by Mr. Ed Hines, President of the Drayton Valley Senior Citizens Club.

Among those present at the meeting were elderly residents of town and area.

It was pointed out that there are now 73 senior citizens' homes scattered across the province. Average age of residents is 81.

Both Mr. Speaker and Mr. Jespersen complimented the home committee for the effort and ground work entailed in its attempts to locate a lodge in the community.

Details of Revenue, Expenditure Considered in Setting Mill Rate

Following is break down of budget expenditures and revenue of the Town of Drayton Valley considered by Town Council at a special meeting last Thursday in bringing in the 1971 mill rate of 80 mills, an increase of two over last year.

	ACTUAL 1970	ESTIMATED 1971
REVENUES:		
Real Property Taxes	\$364,517.	\$394,640.
Local Improvement Taxes	107,067.	108,450.
Total Taxes	\$471,584.	\$503,090.
OTHER REVENUE		
Licences and Permits	\$ 35,835.	\$ 39,450.

D. V. Highlights

BY MRS. EDITH DEBY

Welcome to Dr. and Mrs. Bennett who have just arrived from England. Dr. Bennett is an associate of Dr. Waugh.

Mrs. Joan Reynolds will be going to Fort St. John early in June to attend her granddaughter's graduation. Betty Farnsworth is the daughter of Mr. and Mrs. Charles Farnsworth formerly of Drayton Valley. Mr. Chester Miller is also looking forward to attending the graduation.

The Alfred Bouschards will have Mrs. Bouschard's mother, sister and brother-in-law from Norfolk, England as their guests for three weeks this summer. Neither Mrs. Moore, Mrs. Bouschard's mother, or her sister and brother-in-law, Mr. and Mrs. Glass, have met for twenty-six years.

Mr. and Mrs. Ken Goble have purchased a canoe and may be seen practising on the dam and other places in preparation for a

wilderness canoe trip this summer. Mrs. Freeman Hill entertained in honour of Mrs. Lillian Baird who will marry Mr. Ole Stordal-svoll in June.

Miss Judy Goubault is finishing her first year at NAIT in Business Administration. Judy has had a most enjoyable year, part of which included running for NAIT Queen. At present Judy is rather undecided about her next year's plans. She may return for further courses if the job situation is not favourable.

Mr. Henry Dunington has re-

turned after a winter spent at the coast with some of his children. Mr. Dunington was accompanied by his brother-in-law, Mr. Stanley Ritchie.

Mrs. Leonard Brennan had the misfortune to fall in her home and injure her wrist. She will be inconvenienced by a heavy cast for some time.

Oldtimers will be sorry to hear that Mr. Helmer Ramstad's brother-in-law, Mr. Claude Hillyer, is in very poor health.

Corporal Gordon Reynolds will arrive in Alberta, from Chilliwack, B.C., at the end of May to take part in special exercises at Wainwright. Corporal Reynolds was a member of Queen Elizabeth's honour guard during her recent tour of B.C.

Mrs. Wiechert has been released from hospital after a lengthy stay. We all wish her much better health.

Equipment Evaluated

Cont. from Page 1

manual, in case of a major problem in the 60 mile by 40 mile field. The manual lists equipment available in the area, with instructions on how to use it; contains numerous detailed maps showing such things as the best control points in a given area; a complete directory of industry and government contacts in the Pembina region; plus other information for combatting an oil spill.

The second major accomplishment was the establishment of a \$10,000 oil spill control unit - a bright orange, skid-mounted steel shack containing a complete inventory of equipment to control a spill.

The shack is normally kept in a central location in Drayton Valley, but on Tuesday and Wednesday was on location at the test site.

Besides interested oilmen the tests attracted a large contingent of officials of the provincial forestry and environment departments as well as a large corps of media representatives. The tests received national TV coverage.

Lands and forests department and environment department officials tested the water quality above and below the site, which was completely cleared after both day's operations.

It was noted that the tests were conducted to determine the control committee's ability to cope with the possibility a spill on the North Saskatchewan River which runs through the middle of the Pembina field.

Mr. O'Connell said the tests would determine the effectiveness of the equipment in operation and this information obtained would be useful throughout Canada.

Deputy Lands and Forests Minister, Dr. Vi Woods, said one of the problems in controlling the Athabasca oil spill last year was that "nobody knew what to do." This is the type of information that would be gained from the Pembina test, he said.

Several hundred people, large vacuum trucks, helicopters a federal government aircraft, boats and a parking lot full of cars gave the normally quiet riverbank a bustling atmosphere that it hasn't seen since Centennial days.

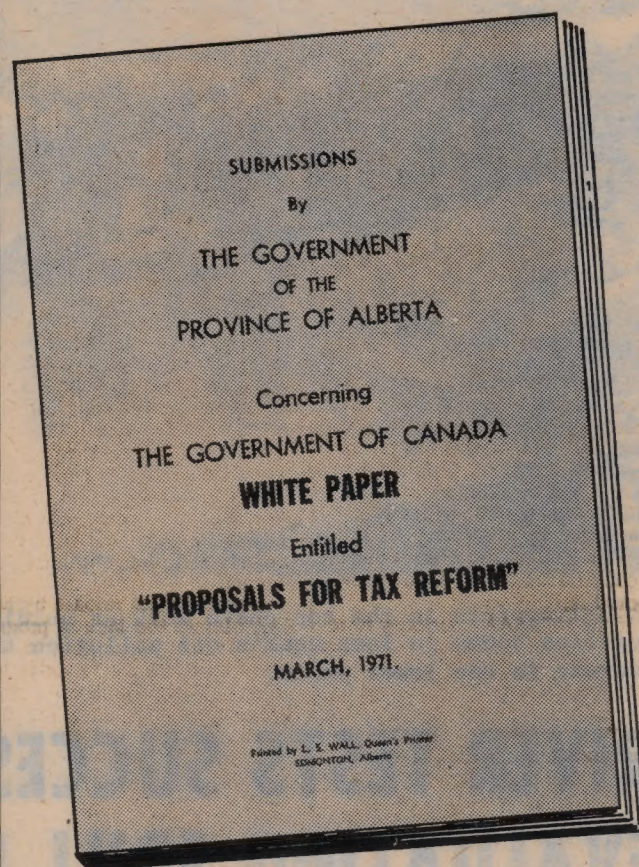

Environmental scientists with the federal and provincial governments were one of the strongest contingents of interested parties who turned out for the tests.

The federal government's fixed wing aircraft was busy throughout the tests doing "infrared traverses" while fish and wildlife biologists collected water samples for biological tests.

An observation helicopter hovered over the test area throughout most of the two days.

It is difficult to save money when your neighbors keep buying things you can't afford.

Teachers Reject NCASAA View On "Labor Union Attitude"

Negotiations between teachers and member boards of the North Central (Western) Alberta School Authorities Association reached a crisis last week over a Conciliation Commissioner's report released recently.

The teachers employed by the eight-member boards of NCASAA voted 94 percent to accept the Conciliation Commissioner's recommendation which had the status of a conciliation board award. The NCASAA, who initially insisted that the Commissioner's recommendation have the status of a conciliation board award, rejected it.

If the NCASAA continues to reject the award, the only recourse left to teachers in the negotiation process, according to the Labour Act, is a strike vote. D.J. Corse, representative of the bargaining agent for the ATA, emphasized that this is not what teachers want.

He said settlement by teachers with most of their individual boards could have been reached months ago. "Although a particular board may have been willing to settle, it may be forced to a strike position which would not occur if that board was negotiating separately with its teachers", he said.

Mr. Corse pointed out that four boards representing fewer than

120 teachers could force all the other teachers to strike action because of the way employers' associations are structured.

Teacher officials indicate that much of the difficulty in the province is over what school boards believe is their prerogative in setting the conditions of professional service for teachers, without giving teachers the right to negotiate or even to be consulted. The Alberta Labour Act gives employees and employers the right to include conditions of employment in their collective agreements.

A recent press release by NCASAA blames the lack of progress in collective bargaining on what it claims to be the "strictly labor union attitude which ATA negotiators have adopted at the bargaining table. This attitude is reflected in the demand for hours of work written into the agreement."

Mr. Corse stressed this is complete nonsense. "Working conditions are similar to that of the cities and other rural areas, but salaries are far less, so teachers in North Central are doing more work for less money than their colleagues", he said.

School boards represented by the NCASAA include Barrhead County No. 11 (117 teachers); Lac Ste Anne County No. 28

(198); Parkland County No. 31 (255); Westlock School Division No. 376 (194); Drayton Valley RCSSD No. 111 (19); Grande Cache School District No. 5258 (33); Jasper School District No. 3063 (35); and Thibault SP School District No. 35 (31).

Drama Students to Present Program

The Drayton Valley Junior High Drama students are to present Theatre-In-The-Round under the direction of their instructor Paul Bradley on Wednesday June 2nd beginning at 7p.m.

Many of the numbers in this two hour show have been created and written by the students themselves and imaginatively designed by such students as Beverly Wasyk, Cindy Getzinger and Audrey Schmidt.

Theatre-in-The-Round involves audience participation physically and emotionally so come with the awareness to expect anything.

Some of the musical productions are Scooby-Doo, Footsie and Football Hero. Other numbers in the show are No Sale a blackout acted by Darce Carl and Dale Chenery. School House Play with Dale-Ellen Cartwright as the teacher and Trudy Pajak, Darce Carl, Beverly Wasyk, Cindy Getzinger, Tara Harris, Clayton Henes, Dale Chenery and Wanda Gabrielson as students. Generalitions with Tara Harris, Dale Schwab, Greg Jones, Beverly Wasyk, Cindy Getzinger and Darce Carl.

The conclusion of the evening will feature a production of James L. Brags' To Burn a Witch. A very dramatic and involving play about the famous witch trials in Salem, Massachusetts in the late 17th century.

This play is a challenge to actors at any level, amateurs or professional, and puts a great demand on the four grade nine students who have accepted its challenge fully under the greater pressure of having only two weeks for preparation. The roles will be as follows: Widow Jones

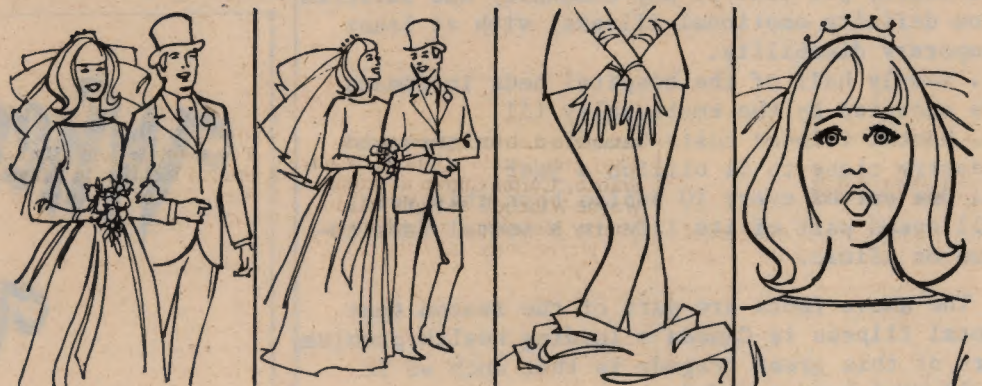

played by Loretta Marfleet, Dame Stanley to be played by Heather McKenzie, May played by Sandra Summers and Ruth played by Debbie Holman. Understudies are Carrie Combs and Nadine Oscar.

For a colorful evening of entertainment mark, Wednesday, June 2nd at the Junior High School Auditorium on your calendar. Adults \$1.00 and students \$0.50.

Swim Club To Meet

The Drayton Valley Neptune Swim Club will be holding a general meeting at the Amoco Hall on Wednesday, May 26th, at 7:30 p.m. This meeting was postponed last week. It is important to the life of the club for all swimmers and parents to attend this meeting.

Everyday Stress Can Lead to Emotional Problems

- Emotional illness disables more people than all other diseases combined.
- Thirty per cent of any community has suffered from definite emotional illness, with at least temporary disability.
- Nearly half of the hospital beds in Canada are occupied by the emotionally ill.
- Mental illness costs Canadian business and industry close to \$1 billion a year.
- One out of every 10 babies born this year, will spend part of its life in a mental institution or clinic.

The above facts are part of the reason that mental illness is Canada's leading health problem. Part of this great tragedy is that much of it could have been avoided.

A leading factor in many cases of emotional problems is simply an inability to adjust to the stress of every day life.

Stress can take many forms. It is commonly defined as some sort of intense exertion. The athlete striving to win a race, the soldier who sustains a wound in battle, and an artist trying to produce his best work are persons who are under stress. A working man with a sick wife, trying to double as both father and mother, or a business man worrying about home problems at work are under stress.

Stress is a normal part of our lives. No one can escape it, but sometimes it may have damaging side effects. Under certain circumstances it may have side effects which may lead to disease such as high blood pressure, ulcers, or allergic and cardiovascular disorders. In addition, stress can lead to various kinds of emotional breakdown.

But stress does not have to be bad for us. All emotions involve stress, for example love is stressful as well as hate.

What is important is learning to deal with stress so it works to our advantage: -- Can we teach our systems to take stress? -- Can we avoid excessive stress?

Authorities believe we can learn to strengthen our defences against stress. If all people knew how to cope with daily wear and tear, many of the extreme financial and human costs of emotional illness might be avoided. The chances for any given person to suffer an emotional illness would be considerably reduced.

The Canadian Mental Health Association has a pamphlet available that can help a person to learn about stress and how to live with it in a healthy manner. If you would like to learn more about stress and how to deal with it, write the Canadian Mental Health Association at 10711 - 107 Avenue, Edmonton and ask for the free pamphlet "Stress And Your Health."

FALLIS NEWS

Mr. and Mrs. Larson from Calgary were recent visitors to the home of Mr. Gus Polosid of Fallis.

The tickets are now being sold on the Darwell Agricultural Queen Candidates. The Queen Candidate from Fallis area is Miss Darlene Yates.

Laurie Magerison from Edmonton was out to visit with her parents, sister, and brother, Mr. and Mrs. J. R. Magerison, Bonnie and Johnny.

Hazel Hurst was a recent visitor to the homes of Mrs. Lil Gunther and Mr. and Mrs. McCulloch and Penny.

A Fashion Frock was held at

the home of Mrs. Joyce Wilkie on Wednesday, May 19th at 8:00 p.m. in the evening.

Bingo was held in the Fallis Community Hall on May 14, commencing at 8:00 p.m. with a large crowd in attendance. Both the \$25 bonus jackpot and the regular jackpot were not won. The next bingo will be held on May 28th with the bonus jackpot of \$25 to be won in 53 calls on the tenth game and the regular jackpot of \$240.00 to be won in the first five calls on any game other than share-the-wealth. Hope to see you there.

Shirley Veich and a friend were out to visit with Shirley's parents, Mr. and Mrs. Jim Veich over the weekend.

Mr. Claude May from Seba Beach was a guest at the home of Mr. and Mrs. McCulloch.

Birthday wishes are extended this week to Laurie Magerison who celebrated her birthday on May 26th.

Deepest sympathy is extended from the Fallis district to Mrs. Lawrence McDonald on the death of her husband, Mr. Lawrence McDonald who passed away on Sunday.

Visiting at the home of Mrs. John Soroka was Mrs. Dising from Fallis.

Recent successes in plant breeding on a large scale may prompt Canada to follow suit with a large-scale breeding program for cereal crops in Mexico and southern California. Canadian plant breeders are already using plot land in the Yaqui Valley of Mexico and the Imperial Valley of California. By growing a winter nursery in the south, Canadian plant breeders can grow two crops a year and speed up the development of new varieties. Even more important, they can experiment with far more breeding material under Mexican conditions. The photo above shows one of the plots in the Yaqui Valley with different crosses growing under greenhouse conditions. The plots cover 40 acres, stretching to the building on the horizon.

Community Kindergarten Elects New Slate Officers

The second general meeting of the Drayton Valley Community Kindergarten for 1970-71 was held in the Elementary School Gym on May 17th at 8:00 p.m., with approximately 50 parents in attendance.

Mrs. Lou McDowell welcomed the parents.

Mrs. Pat Bester introduced the guest speaker giving a brief summary of Miss Janis Blakey's education and extensive background in the kindergarten field.

Miss Blakey received her B.S. and M.A. Degree from Kansas State Teachers College. She taught kindergarten, primary as well as special education in Mesa, Arizona. She was also a reading and learning disabilities consultant at the Centre for Educational Advancement in Mesa, Arizona.

Miss Blakey taught a reading workshop in Watertown, New York and special education courses in Chico State College, Chico, California. At present she teaches an E.C.E. course at the University of Alberta as well as teaching half-day at the University Kindergarten.

Her talk was centered on the living-learning environment for young children. She included slides to illustrate her talk and ended with a question and answer period.

Pat Bester thanked Janis Blakey for coming out. Coffee was then served.

The business meeting was chaired by Lou McDowell. Carol Gillis read the minutes of the September general meeting. The Treasurer, Elaine Home gave a financial report and stated that the books will be audited.

Parents are reminded about the Open House, May 27th. Class pictures and diplomas will be given to the students and there will be a display of projects by the students.

All the officers on the nominating committee slate were elected by acclamation.

Executive for the 1971-72 class includes: President, Jeanette Vatter; Vice-President, Lynn Hall; Secretary, Susan Mirlach; Treasurer, Donna Olson; Board Members, Marilyn McLean, Vera Kirkup, Jackie Makarowski, and Margie Gill.

The parents of students attend-

ing the 1971-72 classes were advised that they would be notified in the summer about which class and location their child would be attending.

A shotgun is a weapon used to bring down bridegrooms and other birds.

LETTERS

TO THE EDITOR

The Editor,
The Western Review.

Dear Sir:

We are writing to all of you in Oil Capital of the world who had a part in the generous gift which we hear is coming our way towards supplies for Kagando Hospital. As some of you know, this hospital is on loan from the Uganda Health Department and isn't really a hospital at all, but is a temporary set-up in Nissen huts and had its beginnings when Missionary and African hospital workers escaped from the Congo a few hours ahead of the Simba rebels five years ago. We have so far been unable to get a lease, although in other ways we have full co-operation from the government. Not having a lease we are not eligible for grants, nor can we make improvements (eg proper water supply) although an office and operating block and some smaller buildings have been added. We are therefore working on a tiny budget and with insufficient staff (as are most other mission hospitals). Our funds are derived from patient fees (about \$1.50 a head for three weeks treatment), occasional Red Cross and UNICEF parcels, and miscellaneous gifts. This all comes to the fantastic total of about \$1,800.00 a month which has to meet the salaries of twenty hospital workers, twelve labourers, the drugs used in treating 6,000 out-patients (new and subsequent attendances) and supplies used in running a 70 bed hospital with a monthly load of about 60 operations and 50 deliveries. Under these circumstances your gift goes a very long way indeed.

In January we had the chance of obtaining, for about 6% of the total cost, \$8,000.00 of sample and surplus drugs and equipment from an association in the U.S.A.

We had to make our claim by the end of February 1971 and at the end of that month I sent them \$300.00 which was about half what we had at first aimed at. For this, we are to get about \$5,000.00 worth of stuff and it is already on the way. Now with your gift, this expense is more than covered, and we would like to put the balance in a special fund.

During the past year measles vaccine, always expensive, has also been in very short supply and in spite of our using all we had, many hundreds of children have died in this area. One family we know lost four out of six children. The Government provides triple vaccine, BCG, small pox and polio vaccine free but not the much more expensive measles vaccine. Our measles vaccine fund is now empty and we'd like to put part of your gift into it so that Dr. Allen, from Australia who arrived this week to take over will have something to manoeuvre with.

At the same time as Dr. Allen, a Missionary from U.S.A. arrived to take over the pharmacy from Muriel.

We expect to be in Sierra Leone in a months time on the first stage of our journey back to Canada. We have ideas and hopes for what we may be doing in the next few years but nothing definite yet beyond looking forward to seeing many of you again towards the end of this year.

Once again, very many thanks and God bless you,

Sincerely,
Hugh & Muriel MacLure

Summary Regular Meeting Parkland County Council

Minutes of regular meeting of the Council of the County of Parkland No. 31, held in the County Office at Stony Plain, Alberta on Monday, May 10. Minutes as recorded by Secretary and not yet adopted.

Members present were Reeve Leslie N. Miller, Deputy-Reeve Rudolph Zander, Councillors Peter Bakker, Roy Lent, George Mann and Ivan Vowk.

The minutes of the last regular meeting, a copy of which was forwarded to each Councillor, were accepted.

Request for straightening of the road between sections 34 and 35-52-26-4 was received from Mr. E. Fournel of Winterburn. The written report of inspection made by the Public Works Committee on May 3, 1971 was presented to the Council with the recommendation that this not be constructed because of the high cost involved in filling a coulee and there does not appear to be sufficient reasons for constructing this road at present.

Report and recommendation accepted.

Request for increase in loading on the Drayton Valley - Lodgepole road was received from Domtar. It was agreed that the load limit on this road be not increased as the condition and type of road will not withstand the heavier traffic and the Department of Highways has not indicated that the road would be upgraded under the grant structure.

PUBLIC WORKS COMMITTEE INSPECTIONS AND RECOMMENDATIONS

Written reports of inspections made by the Public Works Committee as follows were presented to the Council:

Proposed construction of one mile consisting of brushing, grading and graveling south of Section 29-53-5-5 at an estimated cost of \$14,000.00 with the recommendation that this project be completed in 1971.

Report and recommendation accepted.

Request from W. L. Wilkin Ltd. to construct a new road west of the NW 17-51-25-4 and also improve the existing road in the north-east corner of the SE 18-51-25-4. The Committee recommends that the new road request not be considered at this time but that ditching and sight distance improvements be carried out on the existing road at an estimated cost of \$2,500.00.

Report and recommendation accepted.

Proposed upgrading of the road west of Section 25-50-1-5 with the recommendation that ditching and upgrading of this road be carried out this year at an estimated cost of \$1,350.00.

Recommendation accepted.

Councillor Robert A. Bailey arrived at the meeting at this time.

INVESTIGATION OF COUNTY AFFAIRS

Reeve Leslie N. Miller reported having been contacted by the Assistant Chief Municipal Inspector and having been advised that the Department of Municipal Affairs had received a complaint from ratepayers regarding the affairs of the County. The Assistant Chief Municipal Inspector informed Reeve Miller that an investigation of the affairs of the County would be conducted by himself and other members of his

Department.

It was unanimously agreed to welcome such an investigation and instruct the office staff to assist the investigators in any way possible upon request.

Request for construction of the road on the west boundary of section 2-52-4-5 was received from Mr. P. Cymbaluk of Seba Beach.

Written report of inspection of this road made by the Public Works Committee on May 3, 1971 was presented to the Council with recommendation that an expenditure of \$5,000.00 be approved for the upgrading of this road, if budget allows this year.

Report accepted and recommendation approved.

OFFERS TO PURCHASE

Offers to purchase FR, NE 19-51-2-5 (70 Acres) were received as follows: Mr. Aubrey Heller of Stony Plain, \$1,800.00; and Mr. Bob Govin of Edmonton, unspecified amount.

It was agreed that this parcel of land be not sold.

The following requisitions were accepted: Edmonton Union of Municipal Districts and Counties, \$60.00; Stony Plain Municipal Hospital, \$36,183.82; Edmonton Public School Board, 5,533.00; and Provincial Planning Board, 5,186.52.

Offer to purchase lot A, Plan 3113K.S. in the SW 20-53-6-5 for the sum of \$2,500.00 was received from Mr. Milton R. Gale of Gainford. It was agreed to not sell this property at this time but possibly advertise it for sale by tender at a later date.

Offer to purchase Lot B, Plan 3113K.S. in the SW 20-53-6-5 for the sum of \$1,500.00 was received from Mr. Adam Winczura of Gainford. It was agreed to not sell this property at this time but possibly advertise it for sale by tender at a later date.

It was agreed to cancel outstanding taxes of \$332.62 with respect to Pt. NW 31-52-25-4 (old Winterburn store site) for the reason that the Department of Highways and Transport acquired this property in 1969 for road purposes and taxes should therefore not have been levied in 1970.

REQUEST FOR USE OF COUNTY ROADS

Letter dated April 26, 1971 from the Waskahagan Trail Association was presented to the Council requesting permission to use County roads and property, near the City of Edmonton, in following its designated route for a hiking trail.

It was agreed that permission for this proposal be granted.

By-Law No. L-2-71 authorizing the leasing of Lot R1, Plan 4349R.S. (Park Reserve) in the SE 15-52-27-4 to Mr. Bruce E. Fuhr of Spruce Grove for a period of one year for the sum of \$25.00 received three readings and by unanimous consent of the Councillors present finally passed.

By-Law No. L-3-71 authorizing the leasing of Block R1, Plan 4688R.S. (Park Reserve) in the SW 33-51-26-4 to Mr. B. W. Blumenthal of Edmonton for a period of one year for the sum of \$25.00 received three readings and by unanimous consent of the Councillors present finally passed.

PROPOSED BOATING
RESTRICTIONS ON LAKES
Numerous objections are being received against the proposed boating restrictions on the various

lakes and from information received it has been found that the Minister of Lands and Forests has informed some concerned persons that their Department is awaiting further recommendations from the County.

As the County was not aware that further recommendations were expected by the Department of Lands and Forests it was agreed that clarification in this regard be requested.

It was agreed that the next meeting of the Council be held on Tuesday, May 25, 1971 as the next regular meeting day is a holiday.

The meeting adjourned for lunch at 12:00 o'clock noon on motion and reconvened at 1:05 o'clock p.m. with all Councillors except Councillors Robert A. Bailey and Peter Bakker present.

Request for permission to cut poplar fence posts on the SW 13-53-6-5 was received from Mr. E. W. Phillips of Seba Beach.

It was agreed that the applicant be permitted to cut one hundred (100) poplar fence posts on this quarter for a fee of ten (10) cents per post and that he be required to trim the tops of the trees.

The following tenders were received in response to the advertisement calling for tenders for lease of the E 1/2 19-53-3-5 - Mr. Paul Gray, RR #2, Duffield - \$85.00 annually; Mr. Wilfred Greenbank, Wabamun - annual current taxes which, based on 1970 Mill Rate, amount to \$71.28.

It was agreed that the tender submitted by Mr. Paul Gray be accepted.

Notice received from the Local Authorities Board that a hearing will take place in Edmonton on Monday, May 31, 1971 to deal with an application for annexation of the E 1/2 NE 20-52-25-4 to the City of Edmonton.

It was agreed that Reeve Leslie N. Miller and Councillor Robert A. Bailey be delegated to attend this hearing to oppose the annexation application on behalf of the County.

It was agreed that the County Office be closed on Farmer's Day, June 11, 1971.

RATE OF PAY TO FIRE DEPARTMENTS.

It was agreed to increase the rate of pay to all Volunteer Fire Departments in charge of County fire fighting engines to \$15.00 per hour for fighting fires in rural areas.

Councillor Peter Bakker arrived at the meeting at this time.

Mr. Knox Robertson of Edmonton was present at the meeting and requested to lease the portion of road allowance adjacent to the west boundary of the NW 19-53-25-4 for the purpose of a residential building site.

He was requested to submit an application in writing to be further dealt with.

Councillor Robert A. Bailey arrived at the meeting at this time.

Mr. Stan Hodgson, Architect of Edmonton was present at the meeting in connection with the tenders that were received and opened on May 7, 1971 for the proposed office addition construction.

Tenders were received as follows: - H. D. C. Construction Co. Ltd. - 95,320.00; Bird Construction Ltd. - 97,551.00; Bond & Leitch Ltd. - 99,589.00; Cramer & Bennett Holding Co. - 99,615.00; Enterprise Building Contractors Ltd. - 99,990.00; Hhaj Developments - 100,000.00; Watson (Tofield) Ltd. - 100,620.00; Summit Construction Ltd. - 101,700.00; Papinik Construction Ltd. - 107,500.00; and Rendek Construction Ltd. - 116,042.00.

Mr. Hodgson recommended that the low tender of H. D. C. Construction Co. Ltd. be accepted.

It was agreed to accept the recommendation of Mr. Hodgson and to proceed with construction of the addition to the County Office in Stony Plain by H. D. C. Construction Co. Ltd.

It was agreed that Reeve Leslie N. Miller be authorized to sign the construction contract and further that Reeve Leslie N. Miller and Councillor Peter Bakker be appointed to act as a Building Committee for this project.

HART CANTELON

Readers wishing to write to Mr. Cantelon are invited to do so. All letters to be forwarded to Hart Cantelon Counselling Services Ltd., 1600 Cambridge Building, Edmonton. Please include a stamped self-addressed envelope to ensure a reply.

Dear Mr. Cantelon:

There is simply no communication between my husband and our teen-age son. His father is a work addict, if there is such a word. He is a good provider but works so terribly hard to achieve this. Never does he take time off to do things such as taking time off to have an outing with the children. Summer is the one exception when we do take off every second or third weekend to spend at a lake. Even at this time, these two do not enjoy each other. This boy is the eldest, and I feel that his father has expected him to do things he wasn't able to do from the time he was born. No matter how much effort the boy puts into any effort, his dad thinks he could have done better. He never gives anyone praise. Now the boy does not want to be anywhere near his dad and will not even be in the same room with him. What do we do?

Dear Mother:

Unfortunately, fathers often get this way. Generally, it comes from the fact that their fathers treated them in exactly this fashion, and they think this is the way a father is to be a father. It is sort of the sergeant-major image of the head of the household, who is always bellowing and pushing but always demanding more. The tragedy is that underneath all this front, there is a heart. But men find it very difficult to show their affection. Indeed many-a-man has the idea that to show real affection is to lose sight of the picture of what it means to be a real man. You must begin with someone outside the family, who will first talk to the boy, and then eventually relate to the Dad. Do you have a school counsellor? If you do, and you feel he is the kind of person to whom you can talk, then begin there. Do not take this step if the counsellor is a lady, as men generally resent talking to a woman counsellor, at least initially. Perhaps an old friend or neighbor can help. Use your clergyman, if you are church related. But do something and do it now.

Dear Mr. Cantelon:

Recently we got into discussion with some dear friends, which has disturbed me greatly. They believe that Saturday is the day we ought to worship God and not Sunday. Now we have been raised in a particular church and have always gone to worship on Sunday. Have we been misled by our parents all these years? Why didn't they tell us of this, if it is true?

Dear Church-Goer:

I have many dear and good friends who belong to churches of this tradition. What I have to say, is not in any way derogatory towards them. They base this conviction on the Old Testament teaching about God creating six days of the week, and resting on the seventh. If the first day of the week is Sunday, you end up with the seventh being Saturday, and therefore, they conclude this is the day for worship and resting as God did in the account of Genesis. This also is the tradition of the Jewish faith. But following Jesus' death and resurrection, the Apostles looked back on this experience, and the Cross and Easter Day were central in their faith. So in order to commemorate this tremendous religious experience, they determined to celebrate the same by worshipping on Sunday, because this was the day of the week during which Christ rose from the grave. Hence the tradition into which you have been raised of going to Church on Sunday. But there is something deeper here. Jesus clearly said to the Woman

at the Well of Samaria, that it did not matter where you worshipped God, so long as you worship Him. Indeed, in our present-day society, the Church will eventually have to have worship each and every day of the week, because an industrialized age

The May meeting of the Drayton Valley Branch of the Woman's Institute was held in the W.I. Drop-In Centre on May 17. It is a pleasure to have Mrs. Rasmussen as a member again.

The W.I. Plant and Bake Sale will be held in Block's Store on

means that many men and women never have either a Saturday or Sunday off. So don't look down on you friends. Understand why they do this, and realize that you also have a reason for worshipping on Sunday, just as they have for worshipping on Saturday. But do worship sometime during each and every week.

W.I. Hears Talk by Assistant Principal

May 29. Money raised at this sale go toward meeting expenses of the Flower Show. This year the Flower and Vegetable Show will be held in the Elks Community Hall on August 25th.

The Women's Institute Girls' Club will hold its annual achievement day on May 29th in the Elementary School.

This year the W.I. Raffle to raise money for the Flower and Vegetable Show will be a Kettle Barbeque. Consolation prize will be Barbeque tools.

Members held a lively discussion on the topic "Should the sale of marijuana be legalized?"

The Flower Show prize list was revised and will soon be available.

Mr. Hutton, Assistant Principal of the Jr. High School, was guest speaker. He spoke on various aspects of the school policy of special interest to parents. Vocational counselling, the semester system - advantages and disadvantages - and the importance of stressing review were some of the topics touched on. Mr. Hutton's talk was most interesting and it is regretted that more parents did not avail themselves of the W.I. invitation to hear him.

The W.I. Drop-In Centre is gaining in popularity. Please sign the guest book. Suggestions for improvement are always welcome.

Should your boat capsize, remember a boat afloat is safer and more easily spotted than a single person adrift. Use the boat as a life raft. Keep in the swim with Red Cross water safety all summer long.

June 1 is Census Day. What's new with you?

This is your chance to tell Canada who you are and how you're doing.

Census day is almost like voting day. It's your right and privilege. Your chance to let Canada know all about yourself and your family. How and where you live. It's as secret as the ballot. All these facts become statistics. And many organizations use them to plan for our future.

This is how governments know where to spend money for the most necessary things: hospitals, schools, housing projects, roads and highways, community centres, parks. For example, a high percentage of children under five in one section of your community may alert the board of education to the need for a new school. Or, districts with a high proportion of sub-standard housing may be identified and earmarked for urban renewal and development programs. Things like that.

It's a do-it-yourself census.

Any day now, you'll receive your census questionnaire. The idea is that everyone in Canada must fill in that form on June 1. If a pre-paid return envelope came with the population census form complete the questionnaire and mail it back. If there is no envelope, don't mail it but hold the form until it is picked up by a census representative.

This will probably be the first time you've ever had the chance to fill in your own census form. The old way of sending census takers around knocking on doors and asking you questions served a useful purpose in its day. But we've found, after many trial censuses, that people do a better job when they fill in their questionnaires themselves.

If you are a farm operator.

If you have a farm, the census representative will bring you the Census of Agriculture form along with the population census form. The extra information you give is important for government farm programs and farm organizations in the years ahead. Some time after June 1, the census representative will call on you to pick up the completed census forms. So don't mail them back.

What happens if somebody doesn't fill in his census form?

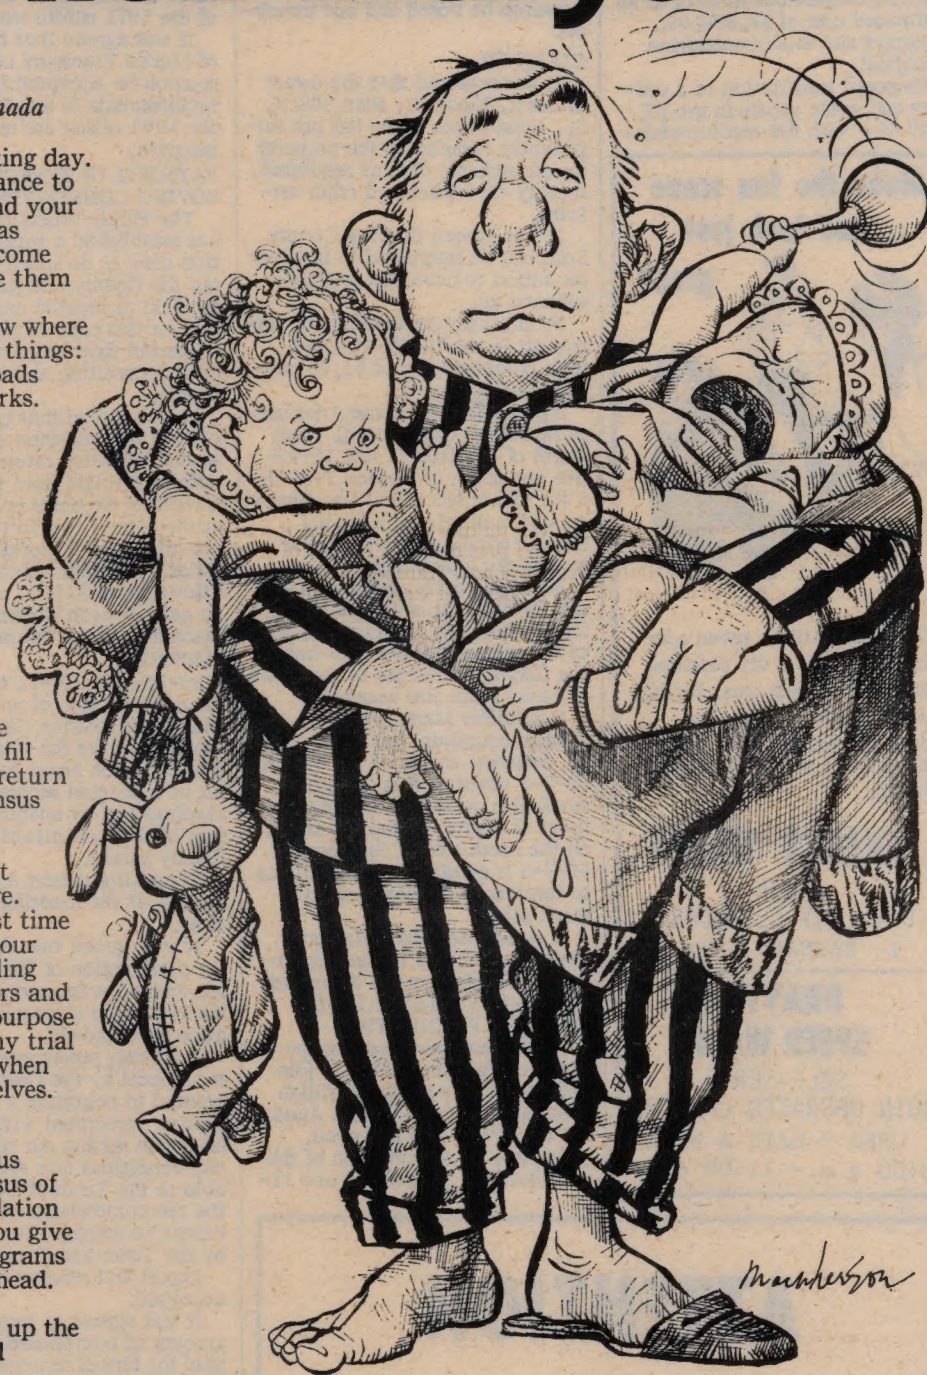

Everyone in Canada is required by law to be counted in the national census. If you don't bother, a census representative will have to come around and fill in your questionnaire with you. So, if you do it yourself, you'll save time and money for everyone.

We need facts about you . . . and your family. Otherwise we won't have the whole story.

Give a few minutes to the Census of Canada. And Canada will give you a better future.

It's your census. Everyone has the right to be counted. Everyone has the right to expect the information he gives to be treated in absolute confidence. And you can be sure that the information will be used for the good of all Canadians.

So, don't forget. June 1. Tell us what's new.

Count yourself in.

DOMINION BUREAU OF STATISTICS
BUREAU FÉDÉRAL DE LA STATISTIQUE

Summary Regular Council Meeting

Cont. from Page 6

PUBLIC WORKS INSPECTION REPORTS

The following reports of inspections made by the Public Works Committee were presented to Council:

Proposed backslapping for sight distance purposes at the intersection south of Edmonton Beach at the North-East corner of the NE 19-52-1-5 and South-East corner of the SE 30-52-1-5. The Committee recommends that this work be carried out in 1971 at an estimated cost of \$1,500.00 as the existing intersection is quite dangerous.

Report and recommendation accepted.

Proposed upgrading of the road west of Section 28-51-3-5 with the recommendation that two hills be cut down and material used to construct a grade through the low area and install culverts where required, at an estimated cost of \$2,000.00.

Report and recommendation accepted.

Proposed upgrading of the road through Section 9-52-3-5 with the recommendation that this work be carried out in 1971 at an estimated cost of \$4,800.00.

Report and recommendation accepted.

Proposed installation of a culvert and grade repair in the NE 9-52-3-5 with the recommenda-

tion that this project be completed in 1971 at an estimated cost of \$4,100.00.

Report and recommendation accepted.

PUBLIC WORKS TO BE UNDERTAKEN

Recommendation as to public works to be undertaken were approved as follows: Gravel and oil W/5, 8 & 17-53-25-4 - \$12,000.00; Gravel and Oil W/27 & SW 34-52-27-4 - \$10,000.00; Gravel and Oil, W/1, 12 & 13-53-28-4 - \$12,000.00; Gravel and oil, thru S 1/2 16, W/5 & 8-52-25-4 - W/29 & 32-51-25-4 - \$20,000.00; Gravel and oil W/2 & 11 and S/13 & 14-52-1-5 - \$16,000.00; Gravel and oil Normandeau Gardens - \$7,000.00; Gravel and oil N/33, 34, 35 & 36-50-7-5 - \$16,000.00; Gravel and oil W/1 & 12-51-6-5 - \$8,000.00; and Gravel and oil Drayton Valley - Lodgepole road - \$25,000.00.

It was agreed that the gravel agreement with Mr. Arthur Pahal on the S 1/2 8-51-25-4 be released.

Plan of survey of the proposed water line easement through the south half of Sections 5 and 6-53-25-4 was approved subject to the condition that all main road crossings be bored and not trenched.

CLEAN UP

It was reported that the owner of Lot 2, Block 11, Plan 3481K, S., West Jasper Place has not sufficiently cleaned up the property by the specific date as requested, mainly car bodies and other articles.

It was agreed that the County Solicitor be instructed to institute an action to have this property cleaned up.

Preliminary Agreement for borrow pit in the NE 27-51-27-4 with compensation of \$1.00 payable was approved.

The Revised agreement for use of Mobil Oil Canada Ltd. roads south of Sections 11 and 12-49-8-5 and south of Section 7-49-7-5 for school bus travel was approved with authorization for the Reeve and Secretary-Treasurer to sign the agreement.

A revised draft agreement with the Department of Public Works for construction and installation of the proposed water line from the City of Edmonton to the Town of Stony Plain was accepted.

Councillor Mann presented a written complaint from Mr. John H. Greaves, owner of Pt. SW 16-53-7-5 advising that a gravel stock pile owned by the Department of Highways and Transport on the north side of Section 16-53-7-5 is causing water problems to farmers to the south of this stock pile.

It was agreed that this complaint be referred to the Department of Highways and Transport. DRAYTON VALLEY TO JOIN MERIDIAN FOUNDATION

Agreement providing for the Town of Drayton Valley to join and participate in the Meridian Foundation, Home for the Aged, in Stony Plain was approved.

Request for construction of the road between sections 10 and 11-

51-27-4 was received from Mr. Jens Boje of Edmonton.

This request was referred to the Public Works Committee for inspection.

It was agreed that the resolution, passed in meeting on April 12, 1971, to invite applications for the position of Assistant Development Control Officer be rescinded.

It was agreed that an experienced Municipal Assistant to the Secretary-Treasurer be employed and applications be invited for this position.

WABAMUN COMMUNITY ASSOCIATION DELEGATION

A delegation from the Wabamun Community Association attended the meeting with regard to the plans and specifications for the proposed ice arena in the Hamlet of Wabamun.

With regard to the Agreement between the County and the Community Association, it was agreed that the draft agreement be approved and entered into, subject to a suggested change in the wording in Section 1, Clause 1.1 of the agreement.

Council meeting reconvened on Tuesday, May 11.

Members present were Reeve Leslie N. Miller, Deputy-Reeve Rudolph Zander, Councillors Roy Lent, George Mann, and Ivan Vowk.

Considerable time was devoted to the discussion and planning of the 1971 public works program.

It was agreed that the quotation of Merlin Transport Ltd. of Edmonton be accepted for road oil requirements of the County for the 1971 oiling and regravelling program.

PAYMENT OF EXPENSES

ROVING CONSTRUCTION CREW

The Public Works Department has established a small construction crew to do small jobs throughout the County and since it is not feasible to provide camp facilities for this crew of men, it was suggested that they be compensated for travelling and living expenses.

It was agreed that expenses be paid to the workmen on this crew at the following rates: If working within 25 miles from their home, travelling expenses only be paid at the rate of twelve (12) cents per mile; and if working over 25 miles from their home, a living allowance of \$10.00 per day may be paid to each workman at the discretion of the Public Works Manager.

By-Law No. 16-71 authorizing the entering into of an agreement with the Wabamun Community Association for the joint construction of an ice arena in the Hamlet of Wabamun received three readings and by unanimous consent of the Councillors present finally passed.

Councillor Robert A. Bailey arrived at the meeting at this time.

It was agreed that the contract for construction of the Wabamun ice arena, as recommended by the Wabamun Community Association be approved.

A written report was presented to Council by the Committee appointed to negotiate a fire protection agreement with the Town of Devon setting out the terms and conditions that are acceptable to the Town of Devon and the recommendation that an agreement be prepared for signature by the Town and County.

Report and recommendations accepted.

It was agreed to increase the amount of compensation to be paid for fences removed to accommodate road construction to \$300.00 per half mile.

It was agreed that the Public Works Manager be authorized to obtain the services of Strong, Lamb & Nelson Ltd., Engineering Consultants when such services are required in road construction. SIGNING OF HISTORIC SITES

A Committee has been established by the Department of Youth, District Youth Branch to formulate a program to utilize the Opportunities for Youth Program initiated by the Federal Government.

The Committee has suggested that any historic sites in the area should be designated with appropriate signs.

It was agreed that this suggestion be accepted in principle and any signing done on Council approval.

Considerable time was devoted to the drafting of a general traffic control by-law for the County.

THE HOME TEAM

"I guess flipping the bat on the manager's head isn't a good way to start the season!"

Lodge Performs Memorial Service

On Tuesday, May 18th, Drayton Valley Royal Purple, and Royal Purple Lodges throughout Canada, sadly draped their charter in memory of Past Supreme Honored Royal Lady Phoebe McCullough of Edmonton who passed away on May 5th.

To hundreds of our lodges, particularly in western Canada, Phoebe McCullough was "The Grand Lady" of Royal Purple. She instituted the Entwistle, Wildwood and Gainford Lodges in our district and was instrumental in the instituting of Drayton Valley Lodge fifteen years ago. All who came in contact with her loved her, as she truly lived the motto

of our organization which is to practice "Justice, Charity, Sisterly Love and Fidelity". She was everyone's pillar of strength.

Phoebe's love of entertaining was displayed each year at the Supreme Lodge convention when delegates were entertained by her plays, skits and songs. This talent is evident in that the Royal Purple ritual and floor work book contains some of her drills and songs.

In the garden of our memories will always remain a bright recollection of her stay with us.

"They never quite leave us, our sisters who have passed, A thousand sweet memories are holding them fast."

Another view of pollution control equipment in use on the North Saskatchewan River during last week's tests.

Minister Urges Speedy Passage of Bill C-176

Exempt red meats and get on with the passage of Bill C-176 to solve the problems of the poultry industry. That is the view of Alberta's Agricultural Minister Ruste who feels the House of Commons should pay more attention to Alberta's wishes since Alberta leads all other provinces in red meat production.

Restating Alberta's position on the federal governments farm marketing legislation, Bill C-176 Mr. Ruste says the Alberta government is in favor of the principle of national marketing legislation because of the requests of the poultry industry. Alberta approves the bill in principle but urges the House of Commons to exempt cattle and hogs because that is the wish of most beef and hog producers in Alberta.

The present situation of restricted interprovincial trade in poultry products is utterly ridiculous according to Mr. Ruste. Most Canadian provinces have closed their borders to poultry products from other areas. The reason is that overproduction in some provinces threatens to undermine local production in provinces that have a system to tailor production to expected consumption.

Mr. Ruste hopes the passage of Bill C-176 will allow formation of national poultry marketing agencies that can straighten out the current serious poultry marketing situation.

Mr. Ruste says the Alberta government wants red meats exempted because that is the wish of beef and hog producers and because their production and marketing problems are far different than for poultry products. Poultry production and marketing lends itself to controls; however, sheep, hogs and cattle do not because of a longer life

cycle and the economics of production.

The sooner Bill C-176 is passed with allowances for exemptions, the sooner the problems of the poultry industry will be solved according to Mr. Ruste.

BRIGHTWOOD NEWS

Sorry to hear that the summer home of Mr. Henry Walenchik, of Edmonton was broken into last week. Some new furniture and bedding was taken.

Dale Fuller and Greg, of Edmonton, Faye and Wally Walenchuk and Patricia, Bonnie and Sherryl of Drayton Valley, Victor and Karen McEachem and Stewart of Jasper, Larry and Joyce McEachem of Edson and Lee McEachem of Edson were all home to honor their mother, Chatty McEachem on Mother's Day.

Mr. and Mrs. Hans Schaer of Edmonton were recent visitors at the Ted Spuhler residence.

Belated birthday greetings to Mrs. Ethel Robinson whose birthday was May 6th. Her Mother, Mrs. Minnie Stephanuk, of Edmonton, sister Elsie, and Walter and new baby Walter Rene of High Level were present to help her celebrate. Ethel received many lovely gifts.

Tommy Mills will be celebrating his 73rd birthday to-morrow, May 21st. Many happy returns Tommy.

Mr. Jens Iversen's sister Anna and her husband Allan and daughter were recent visitors at the Iversen and Mr. Jack Robinson homes.

Margaret Woloszyn underwent surgery recently in an Edmonton Hospital last week and is now home recuperating.

Householders Asked to Perform "Self-Census"

Most Canadian householders will become their own census-takers when the Census of Canada is conducted on June 1, this year.

Instead of visiting each family to ask questions and write down the answers, as in the past, census representatives will deliver questionnaires to every household during the last week of May. Thus, families will have time to study the questions before answering them on Census Day.

In other words, it's a "do it yourself" census, in which every member of the family can take part.

Decision to adopt the new technique of self-enumeration followed extensive field tests, in which various combinations of approaches and procedures were tried out.

Research in other countries as well as Canada had already shown that the traditional method of enumeration contained a number of built-in disadvantages. Census takers sometimes misinterpreted answers, while the head of the household or his wife often misunderstood questions. The result, in both cases, incorrect information. The fact that householders had to give quick answers to intricate questions increased the frequency of error.

By giving householders an opportunity to consider each question carefully, look up records where necessary, and check with other members of the family, the tests showed, much more accurate information is produced.

Further, since the questionnaire is completed at home, with no

outsiders present.

Householders who answer all relevant questions will not have to discuss their answers with any census official. Each questionnaire, however, must be checked and edited by the local census representative who delivered it. Like all other census employees, the local representatives are sworn to secrecy.

If the questionnaires are completed, they are sent directly to Ottawa for processing.

EVANSBURG AREA NEWS

Statement by Evansburg Mayor

The 1971 Census will be of value to everybody in Evansburg. Our Village will then have the latest statistics about our population -- statistics we must have to reach sound planning decisions.

School boards and recreation departments must know the number of children in the various age groups so that they can determine the future requirements for classrooms, playgrounds and other recreational facilities.

Businessmen can use census figures to help determine the location of new shopping centres, restaurants and other services.

Builders need census information about the population and existing housing to help them plan when and where to construct new units.

Government planning agencies business and industry, volunteer organizations -- everybody who works for the progress of Evansburg will be able to achieve their goals more effectively with the help of the information provided by our citizens.

G. R. Dompnier

RENO NEWS

At 12:30 a.m. this morning, May 20th the house where Alice (Pansey) Schenning was staying on the George Williams farm burned down. Some of the neighbors turned out to help and they were: George Williams and wife, Wayne Yasinchuck, Joe Tudge, Albert Morosse and Paul Yakimchuck. Some furniture was saved but all Pansey's personal belongings were lost. The exact cause of the fire is unknown. Pansey's own home burned down in the fall of 1962 and she lost everything she owned in that fire. Pansey was sound asleep when the fire broke out and credits her small dog for waking her in time to flee the blaze.

During the height of that windstorm we had last May 13th a large spruce tree on the Paul Yakimchuck farm was blown down in front of the house. Mrs. Yakimchuck (Ollie), who was at home alone with her children, noticed flames emitting from the fallen tree and ran for a bucket of water. She threw the water onto the flames and only then did she realize, upon receiving a terrible shock, that the tree had knocked down their power line -- hence, the fire.

Mr. and Mrs. Jack Sluserenko have started the season off with a "bang". They are getting the sewerage in on the farm.

Sorry to hear that six year old Cathy Court was in the Drayton Valley Hospital last week with pneumonia. She's home now and feeling much better.

The Jawaszko's of Edmonton were out visiting their old farm and cleaning up around the yard. Baby, Crystal Kaminski, has not been feeling well lately. Her illness turned out to be a case of the red measles and is currently in full bloom.

Mr. and Mrs. Archie Graham of Edmonton were weekend visitors at the Paul Yakimchuck farm.

The Reno Society is having a raffle, proceeds which will go to the building fund. The draw is for a \$50 bill. The tickets are selling for 50¢ a piece and may be purchased from most Reno residents.

Northern Directory In Separate Sections

AGT has announced that the December, 1971, issue of the Northern District Telephone Directory will be divided into seven entirely district directories, each with its own Yellow Pages section.

Under the plan, all telephone customers will continue to be provided with white pages for the entire Northern District as at present. However, instead of the existing box ads now located throughout the white pages, they will have a section of Yellow Pages ads related to their respective areas.

The new localized Yellow Pages sections are oriented to communities of interest, and will provide a more useful and convenient directory to the user, as well as a more effective and economical advertising medium for the businessman.

All business customers will continue to be provided with a free light type listing in both the white pages and the yellow pages of their appropriate directories, and advertising rates have been adjusted downward consistent with the more localized circulation of each Yellow Pages section.

The districts to be covered by each of the new Yellow Pages sections are shown in a map of page 4 of the 1970 Directory.

These districts are as follows: Edson, Hinton, Jasper, and surrounding territories; Drayton Valley, Stony Plain, Whitecourt, and the surrounding territories; Athabasca, Barrhead, Westlock, and the surrounding territories; Bonnyville, Fort McMurray, Grand Center, Lac La Biche, St. Paul, and the surrounding Territories; Fort Saskatchewan, Vegreville, and the surrounding territories; Lloydminster, Provost, Vermillion, and the surrounding territories; and Camrose, Leduc, Wetaskiwin, and the surrounding territories.

Evansburg Agent Receives Award

District agent N. D. (Nigel) Aspeslet of Northwestern Utilities, Limited at Evansburg was among 42 employees of Northwestern Utilities who received awards for safe driving at the Annual Safety Dinner held in Edmonton May 19.

Mr. Aspeslet award was in recognition of ten years of accident-free driving.

The employees were from communities in north-central Alberta served by Northwestern. They represented a total of almost 600 man-years of safe driving.

Secretary-Treasurer
Yellowhead School Division No. 12
Edson, Alberta

Save-Rite Foods
EVANSBURG, ALBERTA

PROCLAMATION

WHEREAS the Eleventh Decennial Census of Canada will be conducted as of June 1, 1971;

AND WHEREAS the Statistics Act prescribes that all residents of Canada shall be enumerated in the census;

AND WHEREAS the information collected in the census measures the economic and social well-being of our community, and its inhabitants, and indicates future needs for public services;

NOW, THEREFORE, I, G. R. DOMPNIER, Mayor of THE VILLAGE OF EVANSBURG do hereby proclaim Tuesday, June 1, 1971, as CENSUS DAY, and do urge all citizens to co-operate fully with the Dominion Bureau of Statistics which is charged with the responsibility for this most important work.

GIVEN UNDER MY HAND and seal, this 21st day of May, A.D. 1971.

G. R. DOMPNIER,
Mayor

ENTWISTLE NEWS

Several Entwistle people played in the Golf Tournament held at Evansburg on Sunday, May 16 and enjoyed it very much and also the steak supper which went with the tournament.

Mr. and Mrs. Dawson Smith are having some renovations done to their home and I know they will really enjoy it when it is finished.

The ball teams are in full swing with the games starting on Monday, May 17th.

The spring work is in full swing, gardens are being planted and we hope we will get some rain to help with the growing before too long.

The Seba Beach High School is holding its graduation exercises on Friday, May 28th. Those from Entwistle and district who are graduating are: Marilyn Mottrom, Irene Saretsky, Cora Terpstra and David Oliver.

Mr. and Mrs. Bill Bancroft of B. C. are here visiting Bill's parents Mr. and Mrs. Forest Bancroft, also sister Gwen and husband Don Campbell.

The Entwistle and Evansburg Recreation Boards put on a display and demonstration of the work that was taught during recent classes.

Mr. G. Baker acted as Master of Ceremonies, Mrs. T. Mitchell the instructor of the leather craft spoke on the work and showed some of the work that had been done.

The ceramics display and talk was by Betty Pack and a very large display was shown.

Ladies Keep Fit (Physical Culture) with instructor Sandra Blades put on a display of the work that was learned during the past seven months. Mrs. Margaret Thomson -- Physical Culture instructor for the Parkland Regional Recreation Department presented the following with certificates and badges. Ann Wade, Pat Smith, Helga Van Meurs, Kate Young, Annie Tucker, Ruby Cowie, Maxine Willoughby and the head instructor Sandra Blades.

Mrs. Lena Holgersen spoke on basketry and the coming Textile Workshop Demonstrations which were shown there.

Mrs. Betty Sparrow, instructor in sewing for Wabamun and who also taught the sewing at Evansburg had the ladies fashion their sewing.

Coming Recreation Programs for the summer, fall and winter were spoken of by George Baker. Cece Armstrong gave general comments and Ron Lutz and N. Aspeslet both spoke as they are on the local board for each town.

Very few people other than the ones taking part were present which is very discouraging to the workers of this worthwhile cause.

In memory of the late Mrs. Phoebe M. McCullough who passed away May 5th, 1971 -- she will always live in our memory. She was a Past Supreme Honored Royal Lady of the Order of the

Royal Purple.

She acted as the assistant installing officer when our lodge was instituted July 16, 1953. During the period of years she visited our lodge on many occasions, was present at numerous conventions in our district and kept in close contact with all lodges.

On May 11, 1968 her visit with us was to present the nineteen Charter Members their fifteen year pins, while the Elks received their's also.

Her sense of humor was a thought for all and she was a real friend to all who knew her. She worked untiringly for what she believed was right and her latest and greatest accomplishment was the founding of a Deaf Detection School here in our province of Alberta.

Her last time with us, in our district was April 18, 1970 at the District Convention held at Wildwood. It was there that she spoke and showed films on Deaf Detection in new born babies and small children. The films were very interesting and, listening to her talk one could tell of her great interest in this work.

She will be greatly missed at our gatherings but we hope to carry on the work she started so our order will not be in vain.

I am sure to all whom she met they will be all the better for having known her.

May her family be ever proud of their mother and I know the lodges will be ever mindful of her past associations with us all. May she rest in peace.

The Entwistle O. O. R. P. #166

Lady Golfers Plan Season

Lady golfers gathered at the Golf Club House May 19th to discuss a Ladies' Night.

Ann Crough was elected President; Phil Phillips, Secretary; and Eve Gamble and Marie Jevne game directors.

Tee-off time will be 6:00 p.m. every Wednesday.

Al's Sport Shop kindly offered a donation of three balls to start out the season's prizes.

A ladies' afternoon was also discussed. Anyone interested in afternoon or morning golfing please get in touch with Eve Gamble (542-3005) or Marie Jevne (542-3142).

Beginners are welcome. Coffee at the 10th hole.

MARSH WORLD by ANGUS SHORTT Ducks Unlimited

SORA RAIL

Small, secretive and inquisitive marsh bird, the sora has a slim body, slender legs and long toes, enabling it to scamper about among tangled reeds and patter over lily pads. More often heard than seen. Its call is a series of rapid, whistled notes descending in scale. Nests in grass or reeds over water, may contain anywhere from 9 to 18 eggs, sometimes in two layers. Soras are found across Canada east of the Rockies.

STOP FIRES BEFORE THEY START

Datsun 1200: A little beauty goes a long way.

Depending on how you drive, Datsun 1200 goes about twice as far on a gallon of gas as a standard domestic car. Impressive.

But there's a good deal more to an economy car than great gas mileage.

What's important is how the car behaves while it's covering all that ground.

Datsun 1200 goes from zero to sixty in 15.1 seconds.

Its turning circle is less than 27 feet.

It's loaded with a list of extras that don't cost extra.

And it comes in a choice of Sedan or Fastback models.

(The Fastback costs a little more, but then, it looks a little sharper.)

Datsun 1200. It's pretty, it's powerful, it's fun . . . and it's economical.

Test-drive it at your nearby Datsun dealer today.

Datsun 1200.

A little beauty that goes a long way to drive home its point.

BERRYMOOR NEWS

Mrs. Bernice Lietz, Mrs. Ann Van Ember and Mrs. Helen Anderson were Lacombe visitors on Saturday, May 15th.

Miss Dianne Haight went to Saskatoon, Saskatchewan on the weekend of May 15th by plane.

Get well wishes to Grandpa Martin who is having a brief stay in the Drayton Valley Hospital.

Mrs. Doris Laughlin was hostess for a Tupperware party on the afternoon of May 18th.

Mrs. Ruth Berry is a patient in the Drayton Valley Hospital and all of her many friends in this area wish her a speedy recovery.

Get well wishes to out to little Larry Haight who had the misfortune to break a leg as a result of a fall from a horse.

The Berrymoor Three B's Club will hold a cleanup day at the Berrymoor Cemetery on Saturday May 29th. Also, that day there will be a sale of various items in the community centre building. Club members will supply the items for this sale and anyone who is interested is cordially invited to attend.

Softball practice for women and girls are being held at the Lindale Hall grounds on each Tuesday and Thursday evening. Anyone who is interested in playing are most welcome.

RESCUE BREATHING (MOUTH-TO-MOUTH)

THE CANADIAN RED CROSS SOCIETY

Start immediately: The sooner you start, the greater the chance of success.

Open airway by lifting neck with one hand and tilting the head back with the other hand.

Pinch nostrils to prevent air leakage. Maintain open airway by keeping the neck elevated.

Seal your mouth tightly around the victim's mouth and blow in. The victim's chest should rise.

Remove mouth. Release nostrils. Listen for air escaping from lungs. Watch for chest to fall.

REPEAT LAST THREE STEPS TWELVE TO FIFTEEN TIMES PER MINUTE.

IF AIR PASSAGES ARE NOT OPEN: Check neck and head positions, CLEAR mouth and throat of foreign substances.

For infants and children, cover entire mouth and nose with your mouth. Use small puffs of air about 20 times per minute.

USE RESCUE BREATHING when persons have stopped breathing as a result of: DROWNING, CHOKING, ELECTRIC SHOCK, HEART ATTACK, SUFFOCATION and GAS POISONING.

Don't give up. Send someone for a doctor. Continue until medical help arrives or breathing is restored.

GAINFORD, ALBERTA

A.G.T. Completing Local Coaxial Cable Program

AGT is at present completing a complex million dollar coaxial cable program to provide improved long distance service between Breton, Calmar, Devon, Thorsby, Warburg and Edmonton.

The following new facilities will be made available: Breton to Edmonton, 12 circuits; Calmar to Edmonton, 12 circuits; Devon to

Edmonton, 21 circuits; Leduc to Edmonton, 12 circuits; Thorsby to Edmonton, 18 circuits; Warburg to Edmonton, 12 circuits; Leduc to Calmar, 12 circuits; Calmar to Devon, 9 circuits; and Devon to Leduc, 9 circuits.

Conduit was prepared at all locations in the summer of 1969. Cable laying was carried out in 1970. The new system -- with its attendant long distance switching equipment -- is scheduled to be put into service in July of this year.

Removal of the old open-wire pole lines will then complete the project. The pole lines between Calmar and Breton, and between Devon and Edmonton are to be removed commencing in August, 1971. Those between Calmar and Leduc, and from the junction north to Devon are to be removed commencing in October, 1972.

Buried cable results in more dependable customer service, lower maintenance costs, and the elimination of unsightly pole lines.

BUCK CREEK NEWS

Congratulations to Mr. and Mrs. Dennis Portas who were married in the Breton United Church on May 8th. Following a honeymoon trip to Vancouver they have taken up residence in Drayton Valley.

Miss Debbie Grinde and Mr. Gordon Lentz of Wetaskiwin will be married on May 29th in the Luthern Church in Wetaskiwin.

Mr. Buster MacDonald successfully completed a six hour engineering exam in Edmonton last Monday.

Mr. Bud Hughes and Mr. Buster MacDonald are at present working on an airplane in Edmonton.

Art Regenwetter is home again after having spent a couple of days in hospital.

Trevor Hauser, Laura and Jack Malin, Wayne Stec, Mary Lou Hogarth and Donnie Nelson completed the 25 mile walk in Drayton Valleys March for Millions.

Sympathy is extended to Mr. Bill Genik whose mother passed away last week. Bill flew down to Windsor, Ontario where his sister picked him up and they drove on the Detroit for the funeral.

Mr. and Mrs. Johan Roos and Mr. and Mrs. John Roos have moved back to the farm.

The immunization clinic will held at the school on June 2nd from 1:00 p.m. to 3:00 p.m.

The Buck Creek Minor League ball team have played two games to date, one against Breton which they won 7 - 4 and they tied Drayton Valley 19 - 19 on Tuesday evening.

Judge: "Do you have anything to offer the court before sentence is passed?"

Prisoner: "No, Judge, I had fifty dollars but my lawyer took that."

NEWS NOTES FROM THE D.A.

Phone Stony Plain 777-2231 between 8:30 a.m. and 5:00 p.m.

E. C. LOWE
District Agriculturist

TOM BROWN
Asst. Dist. Agriculturist

In Drayton Valley each Wednesday at Sekura Auction Mart from 1:00 p.m. to 4:00 p.m.

Tom is away on holidays this week so I'm going to introduce myself. My name is Bill Lindeman. I have just begun working for the Department of Agriculture as an Assistant District Agriculturist in Stony Plain. I'll be working with Mr. Lowe and Mr. Brown. My place of origin is Milk River, Alberta. I've lived on a mixed farm all my life. I was in a 4-H Beef Club and just last month received my Bachelor of Science in Agriculture at the University of Alberta in Edmonton.

Also, we wish to introduce you to our Assistant Agricultural Fieldman - Otto Reich. Otto is employed by the County of Parkland and is involved in regulatory and ser-

vice work. Otto has taken advantage of all courses and co-operated with the Department of Agriculture in implementing programs over the years as well as taking a course in soils and fertilizers, Leadership Techniques and Public Relations.

He was a Leader of the Tomahawk Beef Club for five years, actively participated in the Uniform Local and United Farmers Co-Op.

Most agricultural chemicals when used for the purpose intended, and used as directed, cause few problems. Accidents and the misuse of these chemicals are the greatest hazards to human health.

KINDERGARTEN TEACHER REQUIRED

The Drayton Valley Community Kindergarten Board requires a teacher to commence duties September, 1971. Applicant must be a qualified teacher. For further information

PHONE JEANETTE VATTER -- 542-3713

Registrations are still being accepted for fall term.

Thank You

The Drayton Valley Miles for Millions March Committee extends its thanks to all those who helped to make last Saturday's annual march a success.

Special thanks to Blocks Store, I.G.A. and The Bay for food donations; Amoco Canada for supplying radio equipped vehicles; Pembina Pipeline for providing water and cups and keeping water available all day; and also to Mr. Bob Doig who came from Devon to help during the day.

Thanks also to committee members representing Lions, Rotary, Legion and Elks.

Bantams Lose To Warburg

The M & R Truckers Bantam Baseball Team lost a close game to Warburg, 7 to 5, on Friday night.

Allan Moscaluk and Kevin Boulter pitched for M & R with Moscaluk hitting a home run. Boulter and Mike Koebemick made spectacular catches.

KEEPPHILLS NEWS

Recent visitors at Flora and Lindsay Porter's home were Gerald and Sandra Porter and Jeff of Leduc, also Betty and Gordon Engelhardt of Edmonton.

Hazel Ibsen has been visiting her parents Mr. and Mrs. Sam Quigg.

Mr. and Mrs. A. Vanderwell and Stan Porter spent the weekend

visiting Ila and Mel Edge of Calgary.

Mrs. G. E. Raymond is at home now after 22 days in the Stony Plain Hospital. Many thanks to all who visited her and made her stay more enjoyable.

Betty and George Strassburger of Stony Plain have sold their farm and plan to move into Edmonton.

Strong winds and broken trees took out our long distance lines last week. Thanks to the fast work of A.G.T. we were soon put back into service.

Peter Kanda, the victim of the train-truck accident last week was a very good friend of the Ken Porter's.

Get well wishes and a speedy recovery to Mrs. George Schiedeman who is a patient in the Royal Alex Hospital.

Ruth and Erin White spent a weekend with Ruth's parents in Thorhild recently.

Mrs. Roy Schwitzer is going to Calgary for a month to look after her grandchildren while Mavis and Lewis Engler are on a trip to Germany.

Parkland Learn-to-Swim Registrations

The Parkland Regional Recreation Department will once again provide a Learn to Swim opportunity for the residents of the Parkland Region.

Be sure to pick up application forms at your school. They will be available in the first week of June with all the information you will require.

FLASH: This year four day over-night camps will hi-lite your summer interests.

This program will include: 1. Nature trails, hikes and blazing. 2. Camp fires. 3. Outdoor cooking. 4. Folk lore. 5. Nature lore. 6. Camp crafts. 7. Singing. 8. Survival.

Pick up information sheets at your school.

BURTONSVILLE NEWS

Mary Tattersall is home after two weeks visiting friends and relatives in Edmonton and Keephills.

Mr. and Mrs. L. Ratke and family of Spruce Grove visited relatives in the district last Sunday.

Some gardens are up but they may get nipped with frost as it sure gets chilly in the evenings.

Birthday greetings for May to E. Homme, Keith Greanya, Mary Piskunowicz, Judy Ratke, Julie Wilkes and C. Homme.

Keep your children safe in the water by keeping inflatable toys on the beach where they belong. Be waterwise, keep in the swim with Red Cross water safety all Summer long.

Good Start For Waterfowl Nesting Season

Ducks Unlimited reports that the 1971 waterfowl nesting season is off to a good start.

Although migration was late—the ducks did not return in numbers until the first week in April—continuing warm weather got nesting underway in a hurry. As a result, numerous mallard and pintail nests now have full clutches and many are well along in incubation.

First broods were expected to be on the water before May 20th. If the present trend continues the hatch should be an early one.

So far, nesting has proceeded uninterrupted either by snowstorms or prolonged periods of cold. Local storms of short duration have

occurred but are not considered to have been damaging.

Although surveys are still to be run, general observations are that a substantial breeding population has returned to the prairies.

Figure Skaters Name Officers

The Drayton Valley Figure Skating Club has elected a new slate of officers for the 1971-72 year. They are as follows: President, Mrs. Doris Reid; 1st Vice President, Mrs. Shirley Machan; 2nd Vice President, Mrs. Jill Gebhart; 3rd Vice President, Mrs. Rose Hartmen; Recording Secretary, Mrs. Mary MacKenzie; Treasurer, Mrs. May Barker; Ways and Means, Mrs. Ruby Moltzan; Phoning Chairman, Mrs. Janet Kuzio; Music Chairman, Mrs. Janet Miner; and Publicity Chairman, Mrs. Kay McLeod.

A burned forest takes a lifetime to restore. Take the time to protect it. Before burning brush, get a Fire Permit.

Burning Information and Fire Permits may be obtained from your nearest forest officer, Counsellor or Municipal District Office.

Neglectful burning, or burning without a Fire Permit is punishable by law. The Forests Act and Regulations clearly state conditions under which field debris burning must be carried out. And the Alberta Forest Service strictly enforces all forest fire prevention laws.

So don't take a chance!

get a permit before burning brush

ALBERTA FOREST SERVICE

Statistics Branch Provides Service for Alberta Farmers

The marketing and statistics branch of the Alberta economics division has been expanding its services to the farming community in an effort to fulfill the increasing need for more informed and timely outlook information on production alternatives, adjustment possibilities and market conditions. This type of information is vital for effective farm business management.

Two Canadian trained economists, with masters degrees in marketing, analyze the grain and livestock sectors of the agricultural economy and publish relevant current marketing and outlook information in the "Alberta Farm Economist" and the "Alberta Farm Market Analysis". A third agricultural economist, also Canadian trained, collects and prepares the statistical data upon which most of the information contained in these publications is based, and which is also published in a third type of release called "Alberta Agricultural Statistics".

The "Alberta Farm Economist" is available to anybody interested in agriculture. It is published quarterly with an occasional supplement being released in between these periods. In addition to current marketing and outlook information, this publication con-

tains analyses of both federal and provincial agricultural policies. As a general rule, it takes broader and more long-term view of agricultural trends than does the "Alberta Farm Market Analysis". The latter often projects trends for only a few months, while the "Economist" evaluates the situation over a number of years. It also tries to analyze the inter-relationships of different sectors of the agricultural economy as opposed to dealing with one or two specific productions.

The "Alberta Farm Market Analysis" is available to anyone interested in the market outlook for agricultural products. A minimum of 12 issues are published a year. They are released as pertinent information is received, and a whole issue may deal with one topic. Topics include the market outlook for cattle, hogs, flax seed or rapeseed, depending upon which is most timely. This publication analyzes the latest information on the subject or subjects covered, and forecasts expected future marketings and prices.

"Alberta Agricultural Statistics" is not intended for the general public, but for people doing their own research on a specific subject. These releases are designed to supply background statistical data which is needed to

arrive at conclusions on such things as changes in farm income trends and patterns in crop production, changes in the distribution of livestock populations, the direction in which the basic agricultural economy is moving and so on. They cover a wide range of subjects and are issued 30 or 40 times a year.

A fourth publication "Crop Report" is also put out by the marketing and statistics branch. It is mainly intended for the news media and agricultural chemical companies. The idea being that farmers will get the information via their radio or newspaper, but that the chemical trade should get it as soon as it is available if they are to be able to get their product to an area where it is needed with a minimum of delay. The "Crop Report" is published on a weekly basis during the seeding, growing and harvesting seasons to report on diseases and insects and to keep track of crop progress. It also reports on the presence of pests and diseases in livestock, the general condition of the livestock and feed supplies. Two issues are published during the winter months. One contains an annual review of the past crop year and the other, which comes out in about February, reports on the livestock feed situation.

Anybody who would like further information on any of the subjects covered in the "Alberta Farm Economist" or the "Alberta Farm Market Analysis", or who would like to be put on the mailing list for these publications, should write or telephone the marketing and statistics branch of the economics division of the Alberta Department of Agriculture, Edmonton.

Tomahawk Club Regular Meeting

The Tomahawk and District Club meeting was held in the Recreation Centre on Monday, May 10th. Due to a small attendance much of the business was left for the June meeting. Board members please note that the meeting will be held June 14th, please be there.

Cheryl Ann Ditchuk was appointed as Club Reporter. District representatives please bring your news to the next meeting.

CRUSADERS ENJOY FARM OUTING

The Roy Floden's farm in Berrymoor was a very busy place Friday evening when the two Crusader Groups accompanied by parents and Rev. and Mrs. Ken Smith of the Drayton Valley Pentecostal Tabernacle Church gathered to help pick roots -- One week's work was accomplished in one evening, for which the Flodens were very thankful.

To round out the evening a weiner roast was held -- much to the enjoyment of all.

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending May 22, 1971 provided by the Livestock Division, Canada Department of Agriculture.

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This Week (est.)	6350	5400	950	3200	4
Last Week	5903	4498	1405	2938	127
Same Week (1970)	4198	3656	542	3103	24

INSPECTED SLAUGHTER - Week Ending May 14 (Pre. Fig.)

BEEF - Canada - 56,503	Alberta - 18,796	- 33.3%
HOGS - Canada - 207,765	Alberta - 44,049	- 21.2%

SUMMARY

This week's receipts were up slightly from last week's. Replacement classes of cattle and calves comprised approximately 70% of sales. Trade was active throughout with all slaughter classes trading at higher prices. Butcher steers were mainly 75 higher, butcher heifers 1.00 higher and butcher cows a full 1.00 higher. Bulls steady to higher. Veal scarce and steady.

SLAUGHTER CATTLE AND CALVES

Slaughter trade opened the week on a stronger undertone with prices firming up as the week advanced. Slaughter steers were in better supply although desirable slaughter weights were in short supply. The lighter end (950 - 1000#) were being discounted. In closing trade most of the choice handyweight steers were ranging from 32.50 - 33. Butcher heifers sold strong to 1.00 higher, especially choice quality in the (850 - 900#) weight range. Butcher cows opened 50 higher and worked higher with the odd sale over 22.50 at mid-week. With a good supply on offer as the week closed good and medium kinds were off 50 cents. Lower grades sold strong to 50 higher closing steady. Bulls firm with the odd sale over 26. Veal scarce and unchanged.

REPLACEMENT CATTLE AND CALVES

There was a good supply of two-way steers on offer which met a good demand at prices 50 - 1.00 higher in line with the higher slaughter prices. Good green replacements of all classes and weights were generally scarce at strong prices. Stock calves were fully steady selling high in quotations.

SHIPMENTS

Last week's cattle and calf shipments off the Edmonton Public Stockyards were: East - 34 slaughter, West to B. C. - 40 slaughter, 60 feeders, Export - 27 Feeders to southern Alberta areas - 460 cattle and calves.

CLOSING QUOTATIONS

SLAUGHTER CATTLE

Steers: Choice 32 - 33, good 31 - 32, medium 28 - 30.

Heifers: Choice 30 - 31, good 29 - 30, medium 27 - 28.50.

Cows: Good 21 - 22, odd sale higher, medium 20 - 21, canners and cutters 18 - 20, shells 16 - 18.

Bulls: Good 24 - 26.

REPLACEMENT CATTLE AND CALVES

Good feeder steers (575 - 750 lbs.) 33.50 - 37, (750 lbs. and up) 31 - 33.50, common to medium 27 - 32.

Good feeder heifers (575 lbs. and up) 28 - 31, common to medium 25 - 28.

Stock cows 18 - 24.

Good stock steer calves (275 - 400 lbs.) 42 - 50, (400 - 550 lbs.) 36 - 42, common to medium 30 - 40.

Good stock heifer calves (275 - 550 lbs.) 32 - 42, according to weight, common to medium 28 - 33.

SLAUGHTER CALVES

Good to choice veal (250 lbs. and under) 45 - 50.

Good to choice butcher calves (300 - 450 lbs.) 35 - 40, (450 lbs. and up) 28 - 32.

HOGS

Edmonton Stockyard (E.S.Y.) butcher hogs ranged about 50 higher this week selling from 20.55 - 21.30 base price. One load averaging 240 lbs. sold live weight at 15.25. Sows 15.75 dr. wt. Boars \$2.00 - \$9.00 per cwt., depending on weight and quality, boars 700 lbs. and over discounted \$2.00 per cwt. 650 feeder hogs sold Tuesday and Thursday afternoon ranging from 18.50/cwt. for 120# feeders down to 18.00 for 150# feeders. Weaners and light feeders sold by the head from \$8.00 each for weaners to \$17.50 each for 80# feeders.

SHEEP AND LAMBS

Insufficient butcher lambs on offer to establish a quotation.

Klondike Days Livestock Prizes

Edmonton's 1971 Klondike Days Exposition offers \$85,400 in cash prizes, as well as trophies, ribbons and special awards, to livestock exhibitors entering the big 10-day agricultural show, July 22 - 31.

Exposition officials announce two changes in this year's program: entry fee in the beef and dairy cattle sections has been raised to \$5 per head, and for the first time, classes have been established for purebred Charolais cattle.

Cash prizes, by category are: dairy cattle, \$35,732; beef cattle, \$27,762; sheep, \$7,910; wool, \$139.50; swine, \$12,400; junior dairy cattle, \$1,460. Charolais entries this year will show for ribbons only.

District Agents Receive Awards

District agent A. J. (Bert) Telford and E. L. (Emie) Gill, chief gas utility man, of Northwestern Utilities, Limited at Drayton Valley, were among 42 employees

of Northwestern Utilities who received awards for safe driving at the Annual Safety Dinner held in Edmonton May 19th. Mr. Telford's and Mr. Gill's

award was in recognition of 15 years of accident-free driving. The employees were from communities in north-central Alberta served by Northwestern. They represented a total of almost 600 man-years of safe driving.

PUBLIC NOTICE

COUNTY OF PARKLAND NO. 31

TAKE NOTICE that the Council of the County of Parkland No. 31, in the Province of Alberta, has given first reading to money By-law No. 4-71 which will, on final approval and ratification, authorize Council to borrow monies by way of debenture, to pay the County's share of the cost of constructing a water transmission pipeline to serve the County of Parkland No. 31, the Town of Stony Plain and the Town of Spruce Grove.

The estimated total cost of Eighty-Five Percent (85%) of the aforesaid project amounts to Nine Hundred Thousand Dollars (\$900,000.00), the Minister of Public Works having agreed to defer collection from the County of Parkland No. 31, the Town of Spruce Grove and the Town of Stony Plain, of Fifteen Percent (15%) of the total cost of construction of the aforesaid project. The net amount to be borrowed on the credit and security of the municipality at large by the issue of debentures to finance the County's share of the aforesaid project is Three Hundred Thousand Dollars (\$300,000.00). The debentures are to be repayable to the bearer in Twenty-Five (25) annual instalments of principal and may bear interest at a rate not exceeding Ten Percent (10%) per annum, payable annually.

NOTICE THEREFORE is hereby given by the Council of the County of Parkland No. 31 that, unless a poll of the proprietary electors for and against the said debenture borrowing is demanded, as provided for by the terms of The Municipal Government Act, the said Council may pass the said By-law and submit it to the Local Authorities Board for final ratification and certification that a vote of the proprietary electors thereon is not required.

OF WHICH all persons interested are hereby notified and they are required to govern themselves accordingly.

NOTICE TO PROPRIETARY ELECTORS

Proprietary elector means an elector whose name appears on the assessment roll in respect of land liable to assessment and taxation for general municipal purposes.

Ten Percent (10%) of the proprietary electors may by petition request a vote on a money By-law under the provisions of Sections 311 and 7 of The Municipal Government Act.

1. The petition must be received by the municipal secretary within 15 days of the last publication of this notice and shall contain on each page an accurate and identical statement of the purpose and objectives of the petition.

2. Each signature to the petition shall be witnessed by an adult person who shall take an affidavit that to the best of his belief the persons whose signatures he has witnessed are qualified to vote at a general election.

3. There shall be set out opposite each signature on the petition -

(a) the legal description of the property or other qualifications entitling that person to be a proprietary elector,

(b) the postal address of the petitioner,

(c) the occupation of the petitioner.

4. A corporation or a church or other religious organization or an estate, the name of which appears on the last revised assessment roll as the owner, conditional owner or purchaser of land that is not exempt from taxation, may in writing authorize a resident representative to sign a petition on behalf of the corporation or church or other religious organization or estate, as the case may be.

5. The petition shall be filed with the municipal secretary who shall, in accordance with the Act, compute the number of petitioners that have signed the petition and determine the sufficiency thereof.

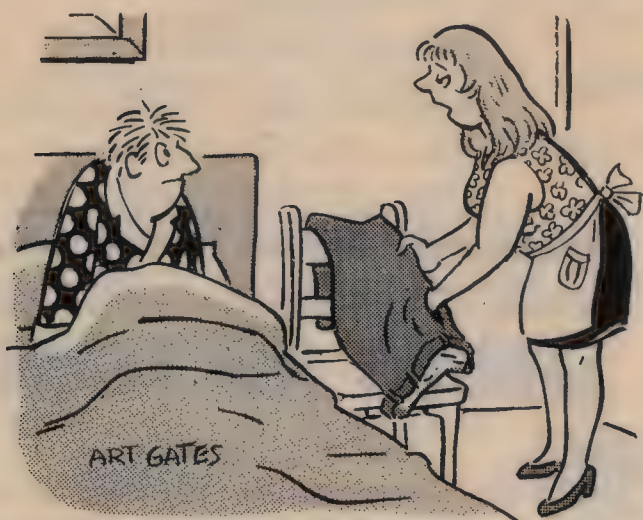

6. Every petition shall have attached to it a signed statement of a person whose name appears upon the petition, stating that he represents the petitioners and that he is the person to whom the municipality may direct any enquiries with regard to the petition.

7. No name shall be removed from the petition after it has been received by the municipal secretary.

8. If two or more money By-laws are advertised in a single notice, a separate petition shall be filed with respect to each By-law on which a vote is requested.

9. The date of the last publication of this Notice is May 25, 1971.

NOTE: If on receipt of a valid and sufficient petition the Council decides not to proceed with the By-law, a vote of the proprietary electors need not be held.

"Would you believe it if I told you my hand got cold?"

CHARGE OR CASH

Charge or Cash is a question asked many times, if not every time when you buy. How do you answer? We are now entering another era of charging with a new system called "Chargex". Two students taking Household Economics at the University of Alberta did some researching into Chargex and I pass their information on to you.

"Until March 22nd, 1971, there were only three types of charge cards available to the consumer in Alberta: (1) Department Stores; (2) Oil Companies; and (3) the "Travel-and-Entertainment" card available to businessmen. Now the "Chargex" card has been initiated which is a combination of all the charge cards.

Chargex is run by four banks: The Canadian Imperial; The Bank of Commerce; The Royal Bank; The Toronto-Dominion Bank; and The Bank Canadian National.

Anyone may apply for a card, whether he deals with one of the sponsoring banks or not. Applications are judged on the basis of income, employment and general credit rating. A limit is set for each individual based on these factors, and the card-holder may not charge beyond this limit e.g. the limit may be \$1,000.

When making a purchase, the cardholder merely presents his Chargex card and signs for his purchase. The merchant is paid by Chargex at the end of the month, and the cardholder is sent one bill for all the purchases made in that month.

Besides charging goods and services, a cardholder may obtain cash advances by going to one of the sponsoring banks and presenting his card. Interest at 1 1/2% per month is charged from the time of the transaction on this type of "loan." All Chargex transactions are separate from the cardholder's bank account and will not be subtracted from the account.

The Chargex card can also be used in British Columbia, Ont-

THE RIMPLES

ario and Quebec, where the scheme has been operating for sometime.

This plan was initiated to give the small merchant more of the credit business and to give the banks more of the credit money.

It appears that we are heading towards a credit-oriented society where the response to a cash purchase may well be, "Sorry, if you don't have a credit card, we can't accept your money."

Supervision never hurts your children, but lacking it they might hurt themselves. Always keep them in sight. Be water wise with Red Cross water safety all summer long.
